Dear Parents/Carers

We wish you all a great Christmas and New Year break and look forward to seeing all the students return on the 8th January 2024.

2023 has been a year in which the school continues to grow and improve. The challenges have been great but we have some real highlights to celebrate. Our Anti-bullying ambassadors, engagement in 'Reframe - Inspire schools project', parent partnership work, coffee mornings for parents/carers and the introduction of frequent trips and visits, have all contributed to our growth and gains. We enter 2024 with an operational and growing therapy team, a full team of teachers, instructors and mentors in all subject areas and a vision for more innovation to come.

Attached to this email letter is the progress report for your son/daughter for this term, building upon the one you received in summer 2023. Parents evening for 2023/24 will be on the 17th January 2024. The report shows the students current Working at Grade (WAG), a statement of progress (exceeding, meeting, working towards) and an Aspirational Target Grade for the future.

Once again wishing you a lovely break and all the best wishes for 2024.

The Vanguard Team
