Exam Board's Timetable

Data is taken from awarding bodies base data and subject to change in the event of external issues e.g. Covid etc. Students will be issued with individual timetables for confirmation of their entries before the start of the exam series.

Contingency Days

Contingency days are added to the exam calendar to cover unexpected timetable changes.

This year the following dates are marked as contingency days:

- 6 June 2024
- 13 June 2024

Students are expected to remain available for these dates even if their timetable is complete. Please do not book any holidays until after the contingency days have passed.
